

FungiNet

CRC/Transregio 124 Pathogenic fungi and
their human host: Networks of interaction

**Joint Colloquium of the CRC/Transregio 124 FungiNet and
Jena School for Microbial Communication (JSMC)**

Ass. Prof. Dr. Judith Behnsen

University of Illinois at Chicago,
Department of Microbiology and Immunology

**“Gut networking: How the host,
commensal bacteria, and fungi
contribute to the pathogenesis
of *Salmonella gastroenteritis*”**

Wednesday, May 23rd, 2018

18:00 c.t.

Erbertstraße, Lecture hall (Großer Hörsaal)
in Jena

The easiest way to get to the lecture hall “Großer Hörsaal Erbertstraße”
is by crossing the central courtyard that can be entered from [Neugasse](#)
(just next to the Institute of Microbiology, Neugasse 25 and the JSMC building, Neugasse 23) or [Schillergäßchen](#).

The *Microbial Communication Colloquium* is organized by the JSMC Doctoral Researchers together with the members of the JSMC Faculty. The aim of this colloquium series is to present state-of-the-art research on “Microbial Communication” in all its multi-disciplinary facets.
